

TORRANCE P. T. A.

Torrance P. T. A. met in the study room of the High school on Wednesday afternoon, November 8, with seventy-two members present. After the Flag Salute all joined in singing the Star Spangled Banner led by Miss Burwash. The minutes of the last meeting were read and approved. The treasurer being absent no report was given. A communication from Mrs. Al R. Smith, chairman of the ways and means department, in regard to a Thanksgiving offering toward the fund for feeding the hungry children who attend the public school, was read. The communication stated that last year 3200 children were fed by the P. T. A., not under-nourished ones, but children who were actually hungry. Mrs. Ainsworth made a motion, seconded by Mrs. Kite, that \$10. be sent to this fund. A silver offering to be taken up that afternoon, and the balance to make up the \$10 be taken from the treasury. Any member who was absent from this meeting and who wishes to contribute can leave their contributions with Mrs. Richard Kite, Marcelena avenue.

Mrs. Eby gave a report on the District Federation meeting, which was held in Los Angeles Thursday, November 2.

Mrs. Milburn, chairman of Team No. 1 in the membership drive, asked to be excused, as her other work kept her too busy. Mrs. Marsh was appointed in her stead. Mrs. O. M. Davis, a member of the same committee, asked to be excused for the same reasons, and Mrs. Mark Wright was appointed. Twelve new members were reported added to the list.

Mrs. Frank Clark, president, called for answer to the questions given out at the last meeting. "Why was the Constitution of the United States adopted?" The answer was read by Mrs. Buck. "What are the three great departments of the U. S. Government?" Answered by Mrs. Letha Miller. "In whom are these powers vested?" Answered by Mrs. Ainsworth. "Who are citizens of the United States?" Answered by Mr. Mowry. On the vote being taken to see who should have the fern for the next month, Mrs. Russell's room was found to have the most mothers and grandmothers present, fourteen, and the fern was awarded to her room.

Miss Chase, teacher of art, was present, and talked on school art and what it means to school children. She stated that there were many new opportunities opening every day for those who wished to earn their living by art. For the boy there are illustrating, advertising, art sign designers and cartooning. These all pay good salaries. There is also card writing, but the salary is not so high. Boys also succeed as architects and designer of jewelry. For the girl there are dress designing, teaching handicraft to the disabled, teaching art, interior decoration, photography, for every photographer should know art in order to obtain the right degree of light and shade.

Everybody has use for art, in home furnishing, in clothes, in household furnishing. How to adapt a house to a site, choice of furnishings, carpet, curtains. There was one idea Miss Burwash wished to correct, that only must be talented to succeed. Of course, talent is needed for painting and sculpture, but hard work is generally what wins in the other branches. Miss Chase had placed on exhibition several cartoons made by the Eighth grade, also some pieces of art needlework, consisting of table covers, sofa cushions, and runners.

Mr. Dubose, manager, and Mr. McDowell, of the Southern California Music company of Long Beach were present, and gave a demonstration of four talking machines, Victor, Victrola, Edison, and Brunswick, in order that the P. T. A. could hear and judge which one they wish to purchase for the school. Talking machines are being used in all schools now to teach appreciation of good music, and also for rhythm and speed in typing.

CHANGE OF LOCATION

The M. E. Ladies' Aid Society will hold their bazaar in the reception room of the El Prado apartments Saturday, November 18 at one o'clock. The ladies have many beautiful and useful articles that will be appropriate for Xmas gifts, also home-made candy and parcel post packages for sale. In connection with the bazaar will be well-rooted plants, such as hydrangeas, ferns, begonias and roses. The food sale will be held at the Rock Bottom store on the same date, Saturday, November 18. Sales begin at one o'clock, sharp.

WINS SILK HAT

The Torrance Toggery has an order for a high-priced silk hat, to be delivered to W. T. Klusman, ardent supporter of Friend W. Richardson, governor-elect of California. This election bet was paid Wednesday, when Fred Burkhard gave Si Rappaport an order for his election bet.
